

ASSOCHAM Internship Program

Established in 1920, **the Associated Chambers of Commerce & Industry of India (ASSOCHAM)** is a leading and the oldest apex business organization in India. Its history is closely interwoven with evolution of India's industrialization, and its emergence as one of the large growing global economies. A non-government, not-for-profit organization, ASSOCHAM is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policymakers and civil society, ASSOCHAM articulates the views and concerns of industry. It also provides a platform for consensus-building and networking on key economic policy issues. It serves its members from the Indian private and public corporate sectors, SMEs and multinational companies, drawing its strength from 450 diverse regional chambers of commerce and industry across states, reaching out to over 4,50,000 members. ASSOCHAM works closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages.
